

Staff,

As many of you know, we had a situation on campus Thursday morning involving a parent of one of our Kindergarten students. The situation was handled in a timely and professional manner. Local Law Enforcement and our District Leadership team were made aware of the situation. In order to ensure the safety and well-being of all students and staff, Local Law Enforcement were asked to be on campus during dismissal on Thursday afternoon. They will also be on campus Friday morning while students and staff arrive. While at this point, we do not feel there is any imminent danger, our District Leadership team has asked for the presence of our Local Law Enforcement for additional support, if needed. To assist with maintaining the safety and security of our students and staff, please continue to keep your classroom doors locked. You may continue with your normal routine of daily activities including recess and moving between the buildings during transition times.

Some of you may have been contacted by parents or may have seen posts on various social media sites inquiring about the presence of Local Law Enforcement and Sheriff Ingram on campus Thursday afternoon. We have been advised at this time to handle any inquiries on a case by case basis. Therefore, we request that you please refer any parents who may have questions to either Mrs. Kimrey or myself. In an effort to maintain confidentiality, we also ask that you refrain from discussing specific details about the situation with parents and the community. You should also avoid engaging in conversations and/or sharing specific details about this incident via social media. We appreciate your support in this matter. Please know that the safety of our staff and our students is very important to us.

Thank you,

Wendy S. Piro
